

## **CYCU Regulations for Inter-Collegiate Double Major**

- Article 1 This regulation is established according to article 28 of The University Law and article 25 of CYCU School Law.  
The courses mentioned in this regulation include Bachelor courses.
- Article 2 The inter-collegiate double major mentioned in this regulation refers to the cooperation agreement CYCU has with other school's department that have reach an agreement of CYCU's student take another major in that school, hence the double major.
- Article 3 Students from other school that matches the conditions CYCU's inter-collegiate double major offers should follow the regulated time to apply. Applies will not be accepted if overdue. Students that are in the inter-collegiate double major, have to follow the "In-school Class Selecting Regulation" established by CYCU.
- Article 4 Students from other schools that have an inter-collegiate double major at CYCU should take all 40 credits of required courses regulated by the major they are taking.  
The courses and credits needed to be taken are regulated by the courses chart made when they enter the program.
- Article 5 Students from other schools that entered the double major program in CYCU, who finished all the courses needed to graduate in their original department, but haven't finished in CYCU should quit the double major and graduate in their original department. If the courses they have taken in CYCU are enough for a minor, CYCU should give them the minor graduation certification.
- Article 6 For CYCU students that go to other schools for double major, the qualification, time to apply, courses that need to be taken, credits needed, payment standards and when they are late for the application etc. These should follow the CYCU Bachelor in Double Major Regulation, and the related regulation from the school they went to for double major.
- Article 7 Students who finished all courses and credits needed for the inter-collegiate double major and passed should take the related application and send it to both school's Academic Affairs Division for approval and should be named on their graduation certificate.
- Article 8 Students from other school who is taking double major at CYCU will have to pay the credit fees according to CYCU's credit fees standards. When the student apply for give up on CYCU's double major, the paid credit fees will not be returned.

Article 9 If the students quit the inter-collegiate double major due to various reasons, they should follow the regulations below:

1. CYCU students should apply to quit before midterm exam, after approval, if the student's credit and courses have reached the regulated courses needed for a minor, the certification will be given with the other school's regulation.
2. Other school's students should apply to quit before the midterm exam. After approval, if the student's credit and courses have reached the regulated courses needed for a minor, the certification will be given with CYCU's related regulation.
3. For the students who has the approval for quit in the inter-collegiate double major program, the credit point that can offset with their original major will be regulated according to CYCU's Bachelor Double Major Regulation.

Article 10 This regulation has been approved by CYCU's Academic Affairs Conference then announced and implied, it is later sent to Ministry of Education for future reference. Same with editing the regulation.
