Since CYCU's establishment in 1955, we have endeavored to promote higher education for the benefit of the people with faith, hope, love, and the spirit of Christian love for the world. We firmly believe that education is not only an approach to exploring knowledge and technique but also the process of shaping one's character and searching for the meaning of our own life. Everyone is endowed with different talents and has different personalities, abilities, and circumstances, therefore, to realize one's full potential is considered a success. You must be eagerly looking forward to delving deeper and more professionally into your studies and research. ### FESTIVAL ACTIVITIES

---

Every year, the school organizes a lighting event on Thanksgiving Day, inviting everyone to celebrate the Christmas festivities. Fireworks are set off during the New Year's Eve countdown to celebrate the arrival of the New Year. Through the Mother's Day Choir Competition, we express our love and gratitude to our mothers through song and creativity.

### CYCU Art Salon

---

In order to promote the value of holistic education and to enhance the form of the personality of truth, goodness, and beauty, Chung Yuan University organizes concerts on Wednesdays and Thursdays during the semester, inviting renowned musicians and performing arts groups from home and abroad to perform.

### Art Center

---

In view of the inseparable relationship between aesthetic education and personality development, and the importance of arts education to our students, we set up the Art Center in August 2005 to plan and implement arts exhibitions and arts education activities on campus. Each academic year, we present six to eight visual arts exhibitions with a wide variety of themes and media and organize experience workshops to match the themes and creative media.
