Message from the President

Dear CYCU freshmen

Greetings and a warm welcome to the CYCU family! As the president of CYCU, it is a great honor to share this special moment with you and to accompany you on this meaningful and enriching journey.

CYCU is now in its 70th year since its establishment in 1955, inspired by a spirit of Christian love for the world. In recent years, the operation of CYCU has won many awards, including a 100% freshmen enrollment rate for the 5th consecutive year, being ranked No.1 in the national and private university for the 7th consecutive year (2018-2024 academic year), being ranked top in private comprehensive universities for the 9th consecutive year. In terms of academic accolades, CYCU was named the Favorite University for Business and the Corporate Favorite University Student by 1111 Job Bank and Global Views Monthly. CYCU also ranked first in graduates' employment rate and high salary for bachelor alumni by 104 Corporation. In 2025, we once again secured the top spot among all private universities in Taiwan in the Global Views Monthly ranking of 'Universities Most Favored by Employers.' We also ranked No. 1 among private universities in the categories of 'Most Favored by Non-Listed Companies' and 'Most Favored by the Information Technology Industry.'

CYCU takes pride in being a sustainable institution with a friendly campus, we were honored by the Ministry of Education in 2019 as an outstanding school and awarded with the "Friendly Campus Award" and "Characteristics School for Life Education Award." In 2023, we were once again awarded the "Friendly Campus Award," making us the first and only school in the nation to be awarded four consecutive times. In addition, CYCU was awarded the "National Sustainable in Education Awards" by the Executive Yuan in 2022 and ranked No.1 among all private Taiwan universities in the UK "QS World University Rankings: Sustainability 2023." The honors show that CYCU has proven our dedication to shouldering social and environmental responsibilities and our commitment to the future. These honors show that CYCU has transformed the core value of holistic education into core competitiveness, which is why it has received various recognitions from the Ministry of Education, business owners, and domestic and international assessments.

We firmly believe that education is not only an approach to exploring knowledge and technique but also the process of shaping one's character and searching for the meaning of our own life. Everyone is endowed with different talents and personalities, abilities, and circumstances; therefore, to realize one's full potential is considered a success. Here at CYCU, you will encounter a wealth of academic resources and a vibrant array of campus activities. We believe that every student is unique, with distinct talents and abilities, and Chung Yuan Christian University is the stage where you can fully realize your potential.

Dear CYCU freshmen, your journey is about to begin. We look forward to seeing you grow through a fulfilling and meaningful university experience, one that will broaden your horizon, deepen your knowledge, and prepare you to become a driving force for positive change in society. Let's support and encourage one another along the way. You got this!

Yours sincerely,

In-Ming Lee

## 8.A different kind of CYCU

### 1 Clubs

For new university students, clubs are not only a way to develop interests, relationships, and horizons, but also a way to learn about group work and creativity. The Extracurricular Activities Unit is located in the Activities Center and offers a wide range of activities each academic year to develop a wide range of skills. There are seven different types of clubs to choose from, including recreational clubs for fun and recreation, musical clubs for artistic pursuits, service clubs with a passion for service, academic clubs for the arts and culture, sports clubs for physical fitness, and social clubs based on the high school district, as well as the departmental clubs for various activities. Do you want to join a club? You are welcome to come closer.

Website : <https://sites.google.com/view/cycustudentclub>

### 2 Part-time Job

To assist students to build up a spirit of independence, expand their horizons and develop a proper working attitude and sense of responsibility. Part-time opportunities are available on campus. Part-time students are required to work on a temporary, specific and transactional work in the school. Students can register online if they have a part-time requirement.

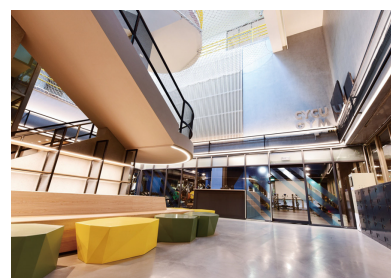

**Path** CYCU Website → I-TOUCH → Log in → Life → Work-Study/Internship world → on Campus Work-Study Registration

The information provided will be used as a reference for all units within the school, and each unit will be responsible for contacting and deciding on the students to be accepted.

### 3 PE Class

CYCU is the only university in Taiwan to host a sports day twice a year. The relay races, and the spirit championship were all part of the program to bring out the enthusiasm and energy of the students. The sports area includes a 50-meter indoor heated swimming pool, tennis courts, badminton courts, basketball courts, a fitness center, etc. There are also many school teams, including athletics, swimming, basketball, volleyball, table tennis, badminton, tennis, bowling, archery, etc., showing that the school attaches importance to the balanced development of students' bodies, mind, and spirit.

**Path** CYCU Website → Administration  
→ Office of Physical Education

## 4 GENERAL EDUCATION

Activities of general education are integral to the latent curriculum, complementing general education courses. These activities encompass drama, dance, music, arts and culture, thematic film screenings, comprehensive liberal arts forums, and life lectures.

From traditional to modern, local to global, they aim to cultivate an understanding of the present world and achieve the ultimate goal of caring deeply. By integrating humanistic and humanitarian sentiments with devout religious beliefs, participants learn to respect heaven and humanity, adhere to principles, and embody the spirit of the Creator, Humanity, Entire Creation, and Individual Self. Highly endorsed by the entire school community, these activities nurture holistic development and cultivate aesthetic appreciation in education.

## 5 FESTIVAL ACTIVITIES

Every year, the school organizes a lighting event on Thanksgiving Day, inviting everyone to celebrate the Christmas festivities. Fireworks are set off during the New Year's Eve countdown to celebrate the arrival of the New Year. Through the Mother's Day Choir Competition, we express our love and gratitude to our mothers through song and creativity.

## 6 CYCU Art Salon

---

In order to promote the value of holistic education and to enhance the form of the personality of truth, goodness, and beauty, Chung Yuan University organizes concerts on Wednesdays and Thursdays during the semester, inviting renowned musicians and performing arts groups from home and abroad to perform.

## 7 Art Center

---

In view of the inseparable relationship between aesthetic education and personality development, and the importance of arts education to our students, we set up the Art Center in August 2005 to plan and implement arts exhibitions and arts education activities on campus. Each academic year, we present six to eight visual arts exhibitions with a wide variety of themes and media and organize experience work-shops to match the themes and creative media. Students who are interested in art are welcome to visit and register for the workshops.

## Educational Purpose

Chung Yuan Christian University was founded on the basis of Christ's love for the world, and is dedicated to higher education in China with faith, hope, and love. We aim to pursue true knowledge and action, and to serve mankind by inspiring culture.

## Educational Philosophy

We respect the dignity of nature and humanity, seek harmony between the human and the natural, and use our technological and humanistic expertise with wisdom and discretion for the benefit of all people.

We understand that each person is endowed with different talents and has different personalities, abilities, and circumstances, so that the full realization of one's potential is success.

We believe that education is not only a way to explore knowledge and skills, but also a process of building character and pursuing the meaning of one's life

We believe that love is the guiding force in education, and we are willing to teach by example and with mutual love and respect as teachers and students pursue growth together.

We respect academic freedom and autonomy, and believe that knowledge leads to understanding and understanding leads to freedom.

We believe in the practice of a pragmatic approach to education as a means of seeking true knowledge.

We take pride in the school spirit of reverence for God, love for country, dedication to work, and Advocate to simplicity.

**The light of students is visible to teachers, the light of teacher is visible to God,  
and the light of alumni is visible to the world.**
