

Chung Yuan Christian University Regulations for Independent Admissions of ROC Nationals Returning to Taiwan from Overseas Due to the COVID-19 Pandemic

Approved by the 16th Admissions Committee Meeting of Academic Year 108 on May 28, 2020

Ratified by the Ministry of Education under Document No. 1090079447, dated June 1, 2020

Amended by the 6th Admissions Committee Meeting of Academic Year 109 on October 22, 2020

Ratified by the Ministry of Education under Document No. 1090155615, dated November 2, 2020

Article 1

Chung Yuan Christian University (hereinafter referred to as the University) is processing the admission of students with ROC nationality studying abroad to the daytime undergraduate and daytime master's programs (hereinafter referred to as this admission) in accordance with the "University Act" and the "Major Disaster This regulation is formulated in accordance with the "Regulations on Preferential Treatment for Students from Other Regions for Admission to Higher Education" and the "Special Plan for Colleges and Universities to Handle the Transfer of Overseas Taiwanese Students Returning to Taiwan to Study in Response to the Epidemic" (hereinafter referred to as the Special Plan).

Article 2

The Admissions Committee of our school handles the admissions of students with ROC nationality studying abroad in a fair, impartial and open manner. It is responsible for reviewing admissions regulations, admissions quotas, admissions brochures, deciding on admissions standards, handling admissions disputes and other examination-related matters.

Article 3

Admissions schedule, selection method, enrollment department, duration of study, enrollment quota, eligibility criteria, examination items, examination date, registration procedure, scoring criteria, admission method, ranking of equal scores, replacement regulations, score review, registration matters, Credit exemption, admission dispute resolution procedures and other relevant rights and obligations of candidates are clearly listed in the admission brochure and announced 20 days before the application period. The application period must not be less than 7 days and will be posted in the admissions section of the school website.

The enrollment departments specified in the preceding paragraph are limited to the existing colleges, institutes, departments, divisions, and degree programs of each school, and do not include government-controlled departments such as teacher training, medicine, traditional Chinese medicine, and dentistry departments; The above schools shall take precautions to

protect students' rights to receive education and list the institutes, departments, subjects and degree programs as being under continuous control or not passed and shall not process enrollment under this item.

Article 4

This recruitment should be carried out in accordance with the special plan of the Ministry of Education, and should adjust the recruitment targets, recruitment quotas, recruitment and enrollment schedule.

Article 5

The enrollment targets of this program are limited to students who are studying abroad and have the nationality of the Republic of China. They must meet the relevant regulations for the enrollment targets of the special project, and their academic qualifications must comply with Article 23 of the University Act, the Regulations on the Recognition of Foreign Academic Qualifications by Universities, and the Hong Kong Regulations such as the Macao academic qualification examination and recognition method, the mainland academic qualification recognition method or the standards for recognition of equivalent academic qualifications for admission to universities.

Article 6

The enrollment targets of this program are limited to students who are studying abroad and have the nationality of the Republic of China. They must meet the relevant regulations for the enrollment targets of the special project, and their academic qualifications must comply with Article 23 of the University Act, the Regulations on the Recognition of Foreign Academic Qualifications by Universities, and the Hong Kong Regulations such as the Macao academic qualification examination and recognition method, the mainland academic qualification recognition method or the standards for recognition of equivalent academic qualifications for admission to universities. This enrollment is handled through a separate enrollment method. The examination method may be written test, interview, written examination, practical or hands-on examination, etc., and shall be approved by the school's admissions committee and clearly stated in the enrollment brochure.

The interview referred to in the preceding paragraph shall be recorded in audio, video or in detail in written form. The written record shall be completed before the Admissions Committee decides on the list of admitted candidates. For candidates with exceptionally high or low scores, the reasons shall be noted in the score sheet.

Article 7

The minimum admission standard is determined by the school's admissions committee before the announcement of the results. Candidates whose scores are above this standard and who

are within the additional quota for this admission will be listed as regular admitted students. The rest of the non-regular admitted students may be listed as reserve admitted students. If the number of candidates who meet the minimum admission standards of each department, institute, or degree program is less than the additional quota for this recruitment, the school may submit the reasons to the Admissions Committee for approval and admit the candidates who do not meet the quota, and the candidates shall not be listed as reserve candidates. After the admitted students register, if there are vacancies, they can be filled with reserve students to the original approved additional quota before the deadline specified in the admission brochure; the filling deadline shall not exceed the start date of classes specified in the calendar of the current semester of the school's enrollment year. If the total scores of candidates are the same, the admission priority will be determined according to the reference order specified in the brochure. If there are two or more admitted candidates with the same scores after comparison, they must be submitted to the school's admissions committee for approval. The order of precedence. If the additional admissions are due to administrative negligence within the school, the school's admissions committee should hold a meeting to decide, and submit the meeting minutes together with relevant supporting documents and the admissions review report to the Ministry of Education for approval within 1 month after the facts are confirmed. It can only be processed later. The admission list for this program will be announced after confirmation by the school's Admissions Committee.

Article 8

Matters related to this recruitment, such as question setting, test paper printing, test paper making, test marking, sealing, test supervision, score calculation, result announcement, and registration, should be handled with care, and all test and scoring information must be kept properly for one year. However, if an appeal is filed in accordance with the regulations, it should be kept until the appeal procedure is completed or the administrative relief procedure is terminated.

The question setters, examiners, supervisors and all examination personnel involved in this entrance examination should actively recuse themselves if any relative within the third degree of closeness applies for this entrance examination; all participants have the obligation to keep the examination work confidential.

Article 9

Candidates who wish to review their scores should submit an application to the Admissions Committee of our school by attaching the application documents within the period specified in the admission brochure. The school will provide a formal written reply within 3 days of receiving the application.

If candidates have any doubts about the admissions, they should submit a written appeal to the Admissions Committee of our school within 7 days after the announcement of the results. The appeal should state the specific reasons for the doubt and provide supporting materials for the reference of the Admissions Committee of our school. The school's Admissions Committee should give a formal reply within one month and, if necessary, form a special task force to conduct an impartial investigation and handle the matter, and inform the complainant of the administrative relief procedures.

Article 10

Any matters not covered in this regulation shall be handled in accordance with the school's academic rules, relevant regulations and admission brochure.

Article 11

This regulation shall be implemented after being approved by the Admissions Committee of this school and submitted to the Ministry of Education for approval, and the same applies to amendments.
