Message from the President

Dear CYCU freshmen

First of all, congratulation on being selected by CYCU which is the favorite university for business, from the cutthroat competition. I look forward to your potential to create a successful life in the friendly CYCU family. CYCU is now in its 68th year since it was established in 1955 in the spirit of Christian love for the world. In recent years, the operation of CYCU has won many awards, including a 100% freshmen enrollment rate for the 4th consecutive year, being ranked No.1 in the national and private university for 6th consecutive year (2018-2023 academic year), being ranked top in private comprehensive universities for the 8th consecutive year, and took the first place in private universities retention rate. In terms of academic achievements, CYCU was named the Favorite University for Business and the Corporate Favorite University Student by 1111 Job Bank and Global Views. CYCU also ranked first in graduates' employment rate and high salary for bachelor alumni by 104 Corporation.

In addition, CYCU was awarded the National Sustainable in Education Awards by the Executive Yuan in 2022. In 2023, the Times Higher Education (THE) published the World University Rankings, CYCU ranked 5th in science and 6th in engineering, the performance is the top among private universities. In U.S. News & World Report in 2023, CYCU surpassed the top universities in the nation and played the leading character in the field of chemical and polymer science. These honors show that CYCU has transformed the core value of holistic education into core competitiveness, which is why it has received various recognitions from the Ministry of Education, business owners, and domestic and international assessments.

We firmly believe that education is not only an approach to exploring knowledge and technique but also the process of shaping one's character and searching for the meaning of our own life. Everyone is endowed with different talents and has different personalities, abilities, and circumstances, therefore, to realize one's full potential is considered as a success. In the future, we believe that you will wander in the friendly campus with a holistic education and immerse in splendid university life. You will develop personality, professionalism, and potential by osmosis. We expect every student in CYCU to thrive on undergraduate education, and become the best result of holistic education. Dear CYCU freshmen, your dream is about to be fulfilled, your future holds countless treasures, and CYCU is a place where countless possibilities and hopes are achieved. We sincerely welcome you to join the CYCU big family. Let's encourage each other. You got this!

Yours sincerely,

In-Ming Lee

**The Wonderful Youth
is Right Here**

1 Clubs

For new university students, clubs are not only a way to develop interests, relationships, and horizons, but also a way to learn about group work and creativity. The Extracurricular Activities Unit is located in the Activities Center and offers a wide range of activities each academic year to develop a wide range of skills. There are seven different types of clubs to choose from, including recreational clubs for fun and recreation, musical clubs for artistic pursuits, service clubs with a passion for service, academic clubs for the arts and culture, sports clubs for physical fitness, and social clubs based on the high school district, as well as the departmental clubs for various activities. Do you want to join a club? You are welcome to come closer.

2 Part-time Job

To assist students to build up a spirit of independence, expand their horizons and develop a proper working attitude and sense of responsibility. Part-time opportunities are available on campus. Part-time students are required to work on a temporary, specific and transactional work in the school. Students can register online if they have a part-time requirement.

Path CYCU Website → itouch → Log in → Life → Work-Study/Internship world → On-Campus Work-Study Registration

The information provided will be used as a reference for all units within the school, and each unit will be responsible for contacting and deciding on the students to be accepted.

3 PE Class

CYCU is the only university in Taiwan to host a sports day twice a year. The relay races, and the spirit championship were all part of the program to bring out the enthusiasm and energy of the students. The sports area includes a 50-meter indoor heated swimming pool, tennis courts, badminton courts, basketball courts, a fitness center, etc. There are also many school teams, including athletics, swimming, basketball, volleyball, table tennis, badminton, tennis, bowling, rchery, etc., showing that the school attaches importance to the balanced development of students' bodies, mind, and spirit.

Path CYCU Website →Administration
→Office of Physical Education

GENERAL EDUCATION

The scope of the general education complements and reflects that of general education courses and includes literature, music, art, dance, drama, film, philosophy, marriage, dating, relationships, etc.

FESTIVAL ACTIVITIES

Every year, the school organizes a lighting event on Thanksgiving Day, inviting everyone to celebrate the Christmas festivities. Fireworks are set off during the New Year's Eve countdown to celebrate the arrival of the New Year. Through the Mother's Day Choir Competition, we express our love and gratitude to our mothers through song and creativity.

CYCU Art Salon

In order to promote the value of holistic education and to enhance the form of the personality of truth, goodness, and beauty, Chung Yuan University organizes concerts on Wednesdays and Thursdays during the semester, inviting renowned musicians and performing arts groups from home and abroad to perform.

Art Center

In view of the inseparable relationship between aesthetic education and personality development, and the importance of arts education to our students, we set up the Art Center in August 2005 to plan and implement arts exhibitions and arts education activities on campus. Each academic year, we present six to eight visual arts exhibitions with a wide variety of themes and media and organize experience workshops to match the themes and creative media. Students who are interested in art are welcome to visit and register for the workshops.

Educational Purpose

Chung Yuan Christian University was founded on the basis of Christ's love for the world, and is dedicated to higher education in China with faith, hope, and love. We aim to pursue true knowledge and action, and to serve mankind by inspiring culture.

Educational Philosophy

We respect the dignity of nature and humanity, seek harmony between the human and the natural, and use our technological and humanistic expertise with wisdom and discretion for the benefit of all people.

We understand that each person is endowed with different talents and has different personalities, abilities, and circumstances, so that the full realization of one's potential is success.

We believe that education is not only a way to explore knowledge and skills, but also a process of building character and pursuing the meaning of one's life

We believe that love is the guiding force in education, and we are willing to teach by example and with mutual love and respect as teachers and students pursue growth together.

We respect academic freedom and autonomy, and believe that knowledge leads to understanding and understanding leads to freedom.

We believe in the practice of a pragmatic approach to education as a means of seeking true knowledge.

We take pride in the school spirit of reverence for God, love for country, dedication to work, and Advocate to simplicity.

**The light of students is visible to teachers, the light of teacher is visible to God,
and the light of alumni is visible to the world.**
