Message from the President

Dear CYCU freshmen

Peace be with you! At this joyful moment, on behalf of the entire faculty and staff of Chung Yuan Christian University, I extend my warmest welcome to you as you join the CYCU family. It is both our privilege and our mission to accompany you as you embark on a new chapter of learning and personal growth.

Since its founding in 1955, Chung Yuan Christian University (CYCU) has remained true to its founding spirit of Christian faith, expressed through a commitment to salvation and love for humanity. For more than 70 years, we have stayed steadfast in our original mission of cultivating young people who possess professional competence, humanistic concern, and a strong sense of social responsibility. This enduring commitment has produced outstanding results. CYCU has achieved a 100% freshman enrollment rate for six consecutive years and has ranked first among private comprehensive universities for ten consecutive years, outperforming many national universities. In employer and university rankings, CYCU was named the No. 1 private university in Taiwan in Global Views Monthly's 2025 "Employers' Favorite University Students" survey. It also ranked first among private comprehensive universities in graduate employment rate according to 104 Job Bank. In the 104 Job Bank's 2026 University Brand Power rankings, CYCU received the "Academic System Benchmark Award," ranking first among private general universities and was also ranked No. 1 among all private universities in the national Top 20. This high level of recognition from the business community and society at large not only attests to the outstanding workplace performance and strong character of CYCU graduates, but also reflects the University's wholehearted commitment to education and its deep and enduring passion for nurturing future generations.

We not only value academic excellence but also foster campus culture and social responsibility. We have long promoted a friendly campus environment and life education, and are the only university in the nation to be awarded the "Friendly Campus Award" four consecutive times, as well as having been named an Outstanding Health-Promoting University by the Ministry of Education for two consecutive years. In the field of sustainable development, CYCU was awarded the "National Sustainable in Education Awards" by the Executive Yuan in 2022 and ranked No.1 among all private Taiwan universities in the and ranked No.1 among all private Taiwan universities in the UK "QS World University Rankings: Sustainability 2026," won "Gold Level" recognition in the First Taiwan Sustainable University Awards for its Sustainability Report. The high recognition we have received both at home and abroad is not only an honor, but also a commitment, one to continuing to provide our students with a safe, respectful, diverse, and sustainable learning environment, while cultivating the positive forces for change that society and the world need.

We firmly believe that education is not only an approach to exploring knowledge and technique but also the process of shaping one's character and searching for the meaning of our own life. Everyone is endowed with different talents, personalities, abilities, and circumstances; therefore, realizing one's full potential is considered a success. Here at CYCU, you will have access to abundant learning resources, diverse interdisciplinary courses, and a vibrant array of student clubs and service-learning opportunities. Through exploration, you will grow; through practice, you will discover and define who you are.

Dear CYCU freshmen, your journey is about to begin — a journey filled with challenges, opportunities, and endless possibilities. May your years at Chung Yuan Christian University inspire you to embrace new experiences with courage, pursue learning with enthusiasm, care for others with compassion, and gradually build the capacity to make a positive difference in the world. Let us write the most memorable chapter of your story together here on PuRen Gand. May you pursue your dreams with confidence and move forward with courage.
