Volume 1 General Principles

- Article 1 These Academic Policies are established in accordance with the Taiwan University Act and its Enforcement Rules, as well as the Degree Conferral Act and its Enforcement Rules.
- Article 2 Chung Yuan Christian University handles matters related to student admissions, enrollment, suspension, resumption, withdrawal, transfers, transfer programs, double registration, and graduation. Unless otherwise provided by the Educational Decree, students shall follow these Academic Policies and any applicable Taiwan Ministry of Education regulations and

policies.

Article 3 At the beginning of each new semester, CYCU publicly recruits new students to each department and may admit sophomore or junior transfer students to the undergraduate program at its discretion in accordance with the vacancies set forth in Article 5(3) In addition, students from Hong Kong, Macao, China, and foreign countries may be admitted in accordance with the relevant regulation.

Volume 2 Baccalaureate Degree Program

Article 4 A candidate who has graduated from a public or a registered private senior high school or school of equal standing, or one who possesses equivalent qualifications in accordance with the law, and has passed the university admission examination, may be admitted to pursue a bachelor's degree. Candidates who have previously graduated from a domestic university or an independent college, or have attained a bachelor's degree from a foreign university or an independent college recognized by the Ministry of Education, as well as the male who has completed military service or is not obliged to serve in the military, and who has been accepted by the entrance examination, may enroll in the second post-baccalaureate degree program of CYCU to pursue a bachelor's degree.

Article 5 Candidates who possess one of the following qualifications and have been accepted by CYCU's transfer exam may be transferred to the second or third year of a bachelor's degree

1. A candidate who has completed at least two semesters at a domestic public university, registered private university, or an overseas university that is recognized by the Ministry of Education.
2. A candidate who has graduated from a domestic public university, a registered private junior college, a specialized training course, or an overseas junior college that is recognized by the Ministry of Education.
3. Undergraduates who have completed the prescribed period of study or have a certificate of passing the qualification examination for the equivalent of a vocational school, with the equivalent of a vocational college degree.
4. Students who are 22 years old or older and hold a high school diploma or have completed their high school studies, and have taken different subjects in university or open university credit courses at the university level or college-level school promotion education credit courses or the Ministry of Education Accredited non-formal education courses with a total of more than 80 credits and a credit certificate.
5. Students who have completed 36 credits in an open university may apply for the sophomore year of a similar department (degree program); those who have completed 72 credits may apply for the junior year of a similar department (degree program).

The above-mentioned similar departments (degree programs) are those with more than 32 credits (sophomore) or 64 credits (junior) which are waiver and transference. The quota of transfer admissions is limited to the vacancies of students enrolled and withdrawn from each department, excluding vacancies

caused by retention of admission qualifications, suspension of studies or additional quotas; after transfer admissions, the total number of students in each grade will not exceed the original approved total number of new students in each academic year, and the number of students per class in each department (degree program) is handled in accordance with the standards for the total development scale and resource conditions of colleges and universities.

Article 6 Newly-admitted students who are unable to complete the enrollment process due to any of the following reasons may furnish all required documents before the admission deadline to maintain their admission qualification.

I. The student who is pregnant, has been pregnant (induced abortion, spontaneous abortion or adoption), or is undergoing childbirth may maintain his/her admission qualification within one year.

II. The spouse of the student, or the partner of the student is pregnant, has been pregnant (induced abortion, spontaneous abortion or adoption), or is undergoing childbirth may maintain his/her admission qualification within one year.

III. The student who is tending to his/her children below the age of three may maintain their admission qualification within three years.

IV. Serious illness that requires recuperation may maintain his/her admission qualification within two years.

V. The student who cannot go through immigration due to a VISA issue may maintain his/her admission qualification within a year.

VI. Those who have compulsory military service may maintain their admission qualification for no longer than the period of military service.

No fees shall be charged to maintain admission qualifications. After the retention period expires, the registration should be carried out in accordance with the regulation; otherwise, the admission qualification shall be terminated.

Students who have passed the Ph.D. program admission via recommendation, master's program admission via recommendation, winter and summer vacation transfer exams, industry technology graduate program exams, and the second profession degree program are not allowed to apply for maintaining admission qualifications and shall choose to apply for a leave of absence after registration to obtain their student status.

Article 6-1 New undergraduate students who participate in the “Youth Education and Employment Savings Accounts Program” may apply to maintain their admission qualifications or apply for suspension of study after admission. The time limit is three years and will not be included in the calculation of the original retention of admission qualification or suspension period.

Article 6-2 New undergraduate students participating in the “Youth Career Navigation Program” may apply to maintain their admission qualifications or apply for suspension of study after admission. The time limit is two years and will not be included in the calculation of the original retention of admission qualification or suspension period.

Article 7 Newly admitted students and transfer students shall register on the designated date, complete the selection of credits and the registration process, and hand

in supporting documents of academic status.

Newly admitted students and transfer students may apply for a transfer of credits or advance their student classification if they qualify for *the CYCU Regulations for Credit Transfers*. Students who have graduated from other universities shall not study for less than one year; those who have graduated from vocational schools shall not study for less than two years. The key points of its review are to be set out separately.

Article 8 All admitted freshman and transfer students who have not completed the registration process during the designated date shall be disqualified from enrollment status.

Article 9 If the documents presented by a newly admitted student or transfer student are found to be untrue, forged, altered, borrowed, or fraudulently used, the student shall be disqualified for admission and no academic record shall be issued; the parents or the legal guardian shall be notified of the situation. If the situation is discovered after the student has graduated, the diploma must be returned upon request and the qualification for graduation shall be revoked in a public announcement.

Article 9-1 During the study period, students may apply for dual enrollment registration in accordance with the *CYCU Double Registration Status Guidelines*, with the specific guidelines stipulated separately.

Article 9-2 Regarding the flexible study measures for undergraduate students born after 2005 who are subject to conscription for active duty starting from January 1, 2024, these measures will be separately formulated by the university and submitted to the Ministry of Education for future reference.

Volume 3 Tuition Payment, Course Registration, and Enrollment

Article 10 Enrollment registration shall be completed by the designated dates; those who fail to enroll on time shall be withdrawn from the programs unless they have requested to postpone the registration or request to suspend their studies. The University Council Office shall notify the withdrawn students before making the sanction of withdrawal. Students who have objections should submit the complaint to the University Council Office within one week after receiving the withdrawal notification. Deferred students should pay the tuition fee according to the total credits taken in each semester, but if the total credits in one semester are less than two credits (inclusive), at least two credits should be paid. If a student studies for more than ten credits, he/she should pay the full tuition and miscellaneous fees.

Article 11 Students who are unable to enroll on time due to severe illness, marriage, bereavement leave, or VISA issues must provide proof with the signature and personal stamp of parents/guardians and submit it to the Office of Student Affairs. If the person does not complete the registration processes within the prescribed time without any reason, the school will follow the provisions of Article 10.

- Article 12 To select courses (add and drop courses), the student must use the school's course selection system and complete the course selection procedures with the approval of the department, institute, and degree program director on the prescribed date. Overdue course selection will not be accepted. Students who are unable to continue to study any courses for some reason may withdraw from the courses, and the relevant procedures are separately listed in the *CYCU Courses Withdrawal Policies and Procedures*.
- Article 13 If a student attends courses without registering, such credits will not be counted at the end of any semester. If a student chooses the courses and has not gone through the withdrawal procedure and has no grades, the course grades for such courses will be zero.
- Article 14 For required courses, students shall select courses based on their enrolled department and class requirements. The procedure for selecting courses shall follow Article 18, Course Selection Guidelines, as well as other requirements of the individual's department. Students may not elect courses with conflicting time schedules. All subject courses with conflicting time schedules shall be considered invalid, and the course grades for such courses will be zero. Students may select courses from other universities (including distance learning) in accordance with the *CYCU Cross-University Course Registration Rules and Policies*.
- Article 15 Deferred students (degree programs) from each bachelor's degree program may select courses from different departments and classes. Students who train athletes in accordance with the "*Cultivation Method for Excellent Athletes*" can take courses flexibly, and separate regulations will be established.

Volume 4 Subjects, Credits

- Article 16 Students shall complete all required subjects and credits required by their department. Students who do not complete all required courses will be unable to graduate. Regulations and modifications of required courses and credits should be established by each department (degree program), and must be approved by the Office of University Council and the colleges and school-level curriculum committees before being implemented. The organization regulations of all-level curriculum committees are formulated separately.
- Article 17 When computing credits, every eighteen(18)hours of completed course shall be considered as one (1) credit; one point five (1.5) to three (3) hours of practicum or laboratory time per week shall be considered as one (1) credit.
- Article 18 The regulations for taking credits for students in all departments (degree programs) are as follows:
- I. During the first, second, and third academic years as well as the fourth year of five-year programs students shall take at least twelve (12) credits and no more than twenty-five (25) credits in each semester.
 - II. During the final year of four-year programs and five-year programs,

students shall take at least nine (9) credits and no more than twenty-five (25) Students who extend their studies are not counted in the restriction of the minimum of nine (9) credits.

- III. A student who is in the following circumstances, and has been approved by the Association for Holistic Care Student committee, is not subject to the minimum course credit limit, but must take at least one course per semester:
 - a. The student who is pregnant has been pregnant (induced abortion, spontaneous abortion, or adoption), or is undergoing childbirth.
 - b. The spouse of the student or the partner of the student is pregnant, has been pregnant (induced abortion, spontaneous abortion, or adoption), or is undergoing childbirth.
 - c. The student who is tending to his/her children below the age of three.
 - d. The student has a serious illness, injury, or severe family emergency.
- IV. Students who are selected candidates for international skills training are not restricted by the minimum credit restrictions during such training periods.
- V. Students who meet the requirement of over-taking credits can apply online during the announcement period of each semester. Those who are qualified can take three more credits. The requirements for over-taking credits are separately set out in the review points for the *CYCU Direction for Examine the Qualification for Student to Over-take Credits*.
- VI. Students applying for a minor, double major, teacher's education program, or intramural program may add up to six (6) more credits above the maximum of courses for subsequent semesters. These six (6) credits shall be limited to the above-mentioned department or courses.
- VII. Excess credits taken without opting out before required deadlines will be deleted by the Office of University Council according to the sequence order.

Article 19 Starting from the 2022 academic year, Physical Education (PE) is treated as a required subject from freshman year to sophomore year without credit, and with two hours of teaching time per week. Students who do not complete the required Physical Education courses will not be allowed to graduate. Students may not repeat or make up more than one (1) Physical Education course for each semester. Physical education courses, taken as electives, are taught for two hours per week and are worth two credits. These credits are not included in the graduation credit requirements.

Article 20 Grades and credits for optional courses and courses for candidates in international competition skills shall be included with and calculated with semester grades and credits.

Article 21 The minimum credits for each department for a degree program is one hundred and twenty-eight (128) credits, and the maximum is one hundred and forty-eight (148) credits. Students in departments or a degree program requiring studies for 5 years may take a maximum of one hundred and eighty-two (182) credits. Students in the second professional degree program shall accumulate at least

forty-eight (48) credits. Students who have taken the same subjects in the relevant fields at the bachelor's level or above before admission can apply for credits transfer, but the credits required for graduation shall not be less than forty (40) credits.

Graduates from foreign or similar schools in Hong Kong and Macao with their graduation grade equivalent to the second year of senior high schools in Taiwan, who enrolled before the 102 academic year with the same academic ability, should increase the credits they should take for graduation by three (3) to twelve (12) credits within the prescribed academic year; those who enrolled after the 103rd academic year should increase the credits they should take for graduation by twenty (20) within the prescribed academic year. The Office of the Registrar will hold a meeting to advise students to take the required courses according to their individual circumstances.

The number of credits from distance learning courses counted toward a student's graduation credits must not exceed half of the total graduation credits.

Article 22 Overlapping courses or courses of the same title are not counted in graduation credits. Credits of an approved intramural department (degree program) or school system shall be included in the required terms of study to be counted in the credits for graduation.

Article 23 The conditions for taking credits for each semester shall be considered and adopted by each department.

If a department regulates the sequence of courses, students are not allowed to alter the order. Laboratory courses and practicums shall be taken on a priority basis and are not allowed to be taken at the beginning of a course sequence. Subjects that take two semesters, or re-taking, shall be in accordance with the previously stated regulations and policies.

Article 24 Students who do not complete the required general subjects will be unable to graduate.

Volume 5 Leave of absence, absenteeism, grade point deduction

Article 25 If a student is unable to attend a class due to any reason, he or she must request a leave of absence in accordance with the *Regulations for Taking Leave of Absence at CYCU*.

Article 26 Students who are absent without submitting a leave request, whose leave requests are not approved, or who fail to attend class after the expiration of their approved leave shall be considered absent without excuse. Once a leave request is approved, the student's absence shall be recorded as excused. Attendance, including both excused and unexcused absences, shall be assessed in accordance with the course plan and syllabus established by the course instructor.

The absence regulation does not apply to students who are absent due to pregnancy (abortion, spontaneous abortion, or adoption), childbirth or parenting of a child under three years of age, spouse or partner pregnancy, previous pregnancy (induced abortion, spontaneous abortion, or adoption),

childbirth, or students who have suffered serious illness, injury, or major family change, and who have been approved by the Holistic Care Student Committee. They shall not be subject to the attendance evaluation regulations stated in the preceding paragraph.

Article 27 (Deleted)

Article 28 (Deleted)

Volume 6 Examinations, grades, and make-up examinations

Article 29 In baccalaureate degree programs, grades are to be assigned for both academic performance and conduct. The highest possible score is one hundred (100). The minimum passing grade is sixty (60).

Article 30 Assessment of students' semester grades in all programs shall be evaluated by course instructors in accordance with the *CYCU Grading Regulations*.

Article 31 A student's conduct grades shall be evaluated by class teachers and department military instructors in accordance with the regulations in *Students' Conduct Grades* of CYCU. The dean of the department and faculty shall consider events based upon student behavior and offer any relevant documentation for evaluating conduct grades to the Office of Student Affairs.

Article 32 Once submitted to the Office of University Council by course instructors, changes in grades are not allowed, except for defective or erroneous grading which must be reported in written form by the instructor; such grades may be resubmitted to the Office of University Council or changed with approval of the dean of course-offering departments (degree programs).
Due to obvious clerical errors, omissions and calculating errors of the instructor, the course instructor may submit written documents and relevant proofs. After the approval of the director of the department (degree program) and the approval of the provost, the proposal will be sent to the University Council Conference to ratify
The grade correction application should be submitted one week before the start of classes for each semester of the school. Overdue applications will not be accepted.

Article 33 No make-up exams may be granted to students for a course who have received a failing or non-passing grade. Such students shall repeat the failed or not-passed course if it is required for a degree.

Article 33-1 (Deleted)

Article 34 Students who are unable to take a midterm or final exam due to public duties, severe illness, bereavement, or other major accident shall request a leave of absence according to the regulation. Once the request process is completed, the student may take the make-up exams. Make-up exams shall be handled in accordance with the following rules:

1. Students without formal leave or approved absence from exams will not be allowed to attend make-up exams.

2. Midterm make-up exams and final make-up exams shall be held by instructors. Make-up exams are restricted to only one chance per semester, and those who fail to take the exam will not be able to take the make-up exam again.
3. The grades for make-up exams relative to midterm or final exams shall be computed according to the ratio of other grades to calculate the grades as the semester grades of the subject.

Article 35 If a student is found to have cheated on an exam, the grade for the exam shall be zero, and punished according to the circumstances
The regulations for exams are stated separately in the *CYCU Examination Rules*.

Volume 7 Change of majors (degree program, division of the department), minors, and double majors, and intramural program.

Article 36 An undergraduate student may request a change of his or her major (degree program) to the Office of Academic Affairs within the designated date before the beginning of the second academic year. Bachelor's degree students from each department may transfer to another department after conducting interviews and other assessment mechanisms. Overdue applications will not be accepted. The regulations governing transfers between departments (institutes and degree programs) shall be stipulated separately.
Students may apply for a change of department (degree program) during suspension. Students may only apply twice to change their major (degree program).
Students who wish to change their department to a different division of academic focus shall follow the regulations for changing majors (degree program).

Article 37 Undergraduates of all departments (degree programs) may apply to change majors before the start of the second academic year. Those who have been approved to change departments may apply for a minor or double major in the original department (degree program).
For students transferring to a lower grade, the regulations for the limitation of time of study and tuition enrollment will be recalculated according to the grade of the transferred department. Except for students who have been suspended before transferring, the period of suspension will be included in the above-mentioned calculation, and the total number of academic years shall not exceed two. The total number of students transferring may not surpass twenty percent (20%) of the limited number of students for a department, and or the total number of new students allotted for the department.

Article 38 (Deleted)

Article 39 (Deleted)

Article 40 (Deleted)

Article 41 (Deleted)

Article 42 Students shall submit their applications for a minor to the Office of Academic

Affairs within the designated date before the start of the second semester. The relevant measures are separately stipulated in the *CYCU Regulations for Undergraduate Students in Pursuit of a Minor* and the *CYCU Guidelines on Inter-Collegiate Minor for Bachelor*.

Article 43 Students shall submit their applications for a double major to the Office of Academic Affairs within the designated date before the beginning of the second academic year. The relevant measures are separately stipulated in the *CYCU Regulations for Undergraduate Students in Pursuit of Double Majors* and the *CYCU Guidelines on Inter-Collegiate Double Major for Bachelor*.

Article 44 Students pursuing double majors or minors who have completed all required courses and credits for their primary major, but have not completed the credits of the additional department (degree program) after two years of extension, may apply for one extra year of extension for minor studies and two additional years for double majors.

Article 45 Students may apply for study programs in accordance with the regulations. After selection and approval, qualified students may be given priority to study the subjects of the program. Students taking integrated courses or opening courses for particular participants shall pay the appropriate credit fees per regulations. The procedure for taking intramural programs is stated separately in the *Guidelines for Intramural Program Establishment of CYCU*.

Article 45-1 Students may apply to the Office of Academic Affairs to enroll in a self-designed interdisciplinary specialization before the start of the second semester on the designated date. The procedure for taking intramural programs is stated separately in the *CYCU Self-designed interdisciplinary fields of study expertise class for Undergraduate Students*.

Students pursuing a self-designed interdisciplinary specialization are required, in principle, to complete the major of their original department (degree program) with 60 credits for a four-year program or 80 credits for a five-year program. Additionally, they must complete either a second major with at least 40 credits or a minor with at least 20 credits, along with other course modules. Students who complete the required courses and credits of the self-designed interdisciplinary specialization module described in the preceding paragraph, and who meet the graduation requirements, shall be handled in accordance with Paragraph 2, Article 63.

Article 46 Credits aside from teacher education programs shall be counted as graduation credits. Students who do not complete a program shall not prolong their graduation periods, except for students who take teacher education programs. Regulations for taking education programs are stated separately in the *Guidelines for Establishment of Education Programs of CYCU* and must be submitted to the Taiwan Ministry of Education for ratification before implementation.

Article 47 Students may apply for a double major by up to 1 department and apply for a minor by up to 2 departments, which will be listed on their certification of graduation if they complete all required courses before graduation. Students

who take programs based upon the regulations of individual departments may apply for a certification of completion upon completion of the required credits, but will not be awarded degrees.

Volume 8 Suspensions, Resumption, Transfer, Withdrawal, Dismissal

Article 49 The regulations for suspension of study are as follows:

1. Student Applications for suspension of study must be approved by parents or legal guardians (Students studying in Continuing Education Programs and students in special cases are excluded.) Students must obtain written approval from the dean of their department and file applications for suspension with the Office of University Council.
2. Students may apply for suspension of study for 1 semester or up to 2 academic years. The suspension of study would not be accumulated if the student, the spouse of the student, or the partner of the student is pregnant, or had been pregnant (induced abortion, miscarriage, or adoption), or is undergoing childbirth, or the student was nurturing children under the age of three. Students with serious illness or other special accidents may apply for an extension of the suspension of study by a maximum of two academic years by providing relevant proof, however, two academic years of suspension is the maximum.
3. Enrolled undergraduate students applying for suspension shall file the application before the final exam; grades for that semester will not be recorded.
4. After completing suspension procedures, students who have studied more than one-ninth of the entire semester, those who suspended draft, or those who have registered their suspension status to the Department of Household Registration, shall not request to revoke the suspension status.

Article 50 Students under one of the following conditions may apply for suspension of study:

1. The record of unattended classes under leave of absence has reached one-third of the semester's total class hours, or the total hours of truancy have reached forty hours
2. The total number of days of excused absence or unexcused absences has reached one-third of the semester's total class hours. However, if the absence regulation does not apply to students who are absent due to pregnancy, previous pregnancy (induced abortion, spontaneous abortion, or adoption), childbirth or parenting of a child under three years of age, spouse or partner pregnancy, previous pregnancy (induced abortion, spontaneous abortion, or adoption), childbirth, or have suffered serious illness, injury, or major family change, and who have been approved by the Holistic Care Student Committee.
3. Students violating CYCU school regulations will be suspended in accordance with disciplinary regulations.
4. Students who fail to pass the minimum credit required within any regulated period.
5. Students suffering from contagious or other diseases that have been

established by competent medical evidence shall be suspended immediately.

- Article 51 Requirements for resumption are listed as follows:
1. After the suspension period, students may apply for resumption to the Office of the University Council. Relative to Article 50-5, students are allowed to apply for resumption based on reliable medical proof.
 2. Reinstated students must continue their studies in the originally enrolled department as they were in when their suspended status started. Students who applied for suspension from schooling in the middle of a semester must continue at the same level they were at when their suspended status began.
 3. Reinstated students who had a suspension of study for 1 semester or 3 semesters shall complete the required credit hours for their major; they may not retake courses that they previously passed.
 4. To resume studies after serving military duty, students shall apply for readmission, with a Military Discharge Certificate, a month before a new semester starts. Students who do not apply for postponing the suspension period shall be treated in accordance with Articles 49 and 52. Any period of serving in the military service shall be excluded from the accumulation of a suspension period.

- Article 52 Students who are in one of the following categories shall be withdrawn from school.
1. Students who do not register during the designated date.
 2. Students who do not apply for suspension of study within the designated time.
 3. Students whose enrollment, admission or transfer admission has been deemed ineligible.
 4. Students whose grades in failed courses do not meet the required standards for the continuation of studies.
 5. Students who failed their personal conduct grades. Students who do not complete required courses and credits within the required terms of study.
 6. Students who enroll in other universities without the approval of CYCU, or students who do not follow the *CYCU Double Registration Status Guidelines*.
 7. Students who should be expelled from school pursuant to the *Student Reward & Punishment guidelines*.
 8. Students who should be expelled from school in accordance with CYCU rules and requirements.

Article 53 Deleted

Article 54 Students who withdraw from this University must complete the withdrawal procedures at the Office of Academic Affairs. For students applying for voluntary withdrawal, parental or guardian consent is required before the withdrawal process can be completed.

Article 54-1 Students should be given the opportunity to submit opinions before being suspended from study, withdrawn from school, or dismissed. Students may come and explain themselves if necessary, and it will be recorded.

- Article 55 Students who consider their ordered withdrawal or dismissal as unlawful or inappropriate and in violation of their rights may provide pertinent documentation and present a grievance appeal. A student in question may continue his or her studies prior to the final determination of their appeal. Students who pursue a grievance appeal in school and those who do not receive a favorable decision may take further legal action. If the CYCU's disciplinary decision is determined by legal authorities (Legislative Yuan or courts) over CYCU to be inappropriate or illegal then CYCU will proceed accordingly. If the student is reinstated after the appeals process but is not able to resume schooling immediately, he or she must complete the process for determining a suspension period from the schooling process for an appropriate period away from school; CYCU shall facilitate the student's reinstatement in school and allow such suspended students in pursuing the process of establishment of a suspension period.
- Article 56 Dismissed students, who complete one semester and have grades, may apply for certification of their studies after completing the dismissal procedures.
- Article 57 Students who have withdrawn from school due to violation(s) of school rules and failure of conduct grades are not allowed to attend transfer exams.
- Article 58 After an active study status is approved, but prior to completion of the enrollment process and attending classes, students may start procedures to be changed to suspended status. A suspension that is approved before enrollment can exempt a student from all fees. Suspension applications that are approved after enrollment will result in fees and refunds being determined in accordance with criteria for determining fees and refunds pursuant to CYCU policies and regulations of the Taiwan Ministry of Education.
- Article 59 Students who are dismissed from CYCU due to serious violations of CYCU rules or regulations, or Taiwan laws, or the Ministry of Education rules or policies shall be dismissed from CYCU without any certification of studies.
