Notice:

This application was issued by Chung Yuan Christian University (CYCU) Regulations on Immediate Admission to a Doctoral Program Article 6:

The immediate admitted doctoral student, with one of the following conditions, with the approval from the appropriate meeting from the department, institute, college, or degree program and the approval from the university President, may apply to be admitted to continue the same program at master's level or transferred to a master's program in a related department, institute, college, or degree program. However, for students who directly enter the doctoral program from the bachelor's program, those who apply in the first year of the PhD Program will revert to the first year of the master's program; while those who apply in the second year or beyond will revert to the second year of the master's program.

- I. Discontinuing the study for the doctoral program
- II. Fail to pass the qualification examination of the doctoral program
- III. Fail to pass the degree examination and does not meet the stipulation in Article 7

The preceding student who is reviewed and approved by an appropriate meeting of the department, institute, college, or degree program (or related department, institute, college, or degree program) and completes the prescribed master courses with a thesis submitted and approved by the master's degree examination committee may be granted a master's degree. The study time in the doctoral program is not counted in the maximum years of study for a master's degree.
