

Teacher i-touch course roll call function

Contractor: Mr. Zheng (Ext. 2035)

1. Teachers are required to call roll call at least twice per semester, and teachers can increase the number of times.
2. Path of roll call system: Log into iTouch → Teaching → Teaching website → Course list inquiry → Course roll call.
3. Course roll call system operation manual download: CYCU Homepage → Administrative Unit → Academic Affairs Office → Course & Registration Division → Form Download → Instructions for the syllabus/roll call and related forms. [CYCU course roll call instruction manual](#)

CYCU i-learning platform roll call function

Contractor: Mr. Liu (Ext. 2043)

In conjunction with the teaching innovation pilot project, in addition to the i-touch roll call system for teachers, our school also promotes the integration with i-learning. For roll call on the learning platform, teachers can add roll call records at any time after logging into i-learning, and the roll call results can be exported. The file is then imported into the i-touch roll call system for use. [i-learning roll call function operation instructions](#)

CYCU i-learning platform mobile APP Bluetooth roll call

Contractor: Mr. Liu (Ext. 2043)

In conjunction with the teaching innovation project, in addition to the iTouch roll call system for teachers, we also promotes the integration with i-learning. The mobile APP of the learning platform has Bluetooth roll call. After teachers and students download the APP on their mobile phones can interact with each other through Bluetooth in the classroom to establish a roll call mechanism. [Operating instructions file](#)

Step 1: Search "CYCU i-learning" in the App Store and install it

Step 2: Enter i-touch on the login screen

Step 3: Click "Online roll call" function module
